

1850 United States Lynns, Etc. Born in Continental Europe

Spellings found include Lin, Lind, Line, Linn, Lyn, Lynd, Lynde, Lyne, Lynt, and Lynn

Notes:

1. Individuals are grouped first by country of birth: France, Germany, Sweden, and Switzerland; and second by place of residence.
2. The great majority of Lynns, etc. on this chart were born in Germany. Men whose surname was written Lynt, found only among the German-born, are included here because Germans pronounce the letter "d", when appearing at the end of a word or name, as a "t" [<http://userweb.port.ac.uk/~joyce1/abinitio/pronounce/consound.html>]. During the taking of a census, then, U.S. enumerators of the period would of course write exactly what they heard or believed they heard - unless an individual spelled out his or her name. The occurrence of the name Lynn, etc. in Germany may be, but is not necessarily, a result of the 16th and 17th-century trade which motivated a few Scots to settle in Germany [*The Scots in Germany, Being a Contribution Towards the History of the Scot Abroad*, Th. A. Fischer (1902)]. Interestingly, also, one Joseph Linn born in Germany 1823-1824 is found in 1850 living in the same household with a Linn couple who were born in Scotland 1789-1790 and 1793-1794.
3. While the 1850 census includes a number of Lynns, etc. born in Sweden, none of their forenames are particularly Swedish but rather are names such as Charles, Edwin, and Francis. This fact is quite likely a result of the larger migration of Scots into Sweden which occurred in the 16th and 17th centuries, during which time these two countries developed an informal alliance and Sweden was in need of martial and mercantile skills [*An Unofficial Alliance, Scotland and Sweden 1569-1654*, Alexia Grosjean (2003)].
4. U.S. States are listed by their respective two-letter State abbreviations and grouped alphabetically (*i.e.*, as they would be written out rather than abbreviated).
5. Within residence groupings, individuals generally are listed in birth order (*i.e.*, earliest to latest).
6. Sons born somewhere other than the father's birthplace have been placed in a separate column with their birthplaces listed in the "Note" column.
7. Other notable information is also included in the "Note" column.
8. Every other household on this chart is shaded.
